COMPANY OVERVIEW

ElMon Express is a New Jersey courier company running scheduled routes and same-day deliveries for public agencies, courts, law firms and healthcare providers. Every pickup and delivery is recorded with the time, the handling driver, a GPS location and the recipient's signature, and clients can check it online.

CORE COMPETENCIES

- Scheduled daily routes and interoffice mail runs for agencies, courts and campuses
- Same-day and STAT courier for clinics, labs, pharmacies and dental labs
- Legal document and records courier with signed chain of custody
- Cargo-van freight, auto parts and distribution-center deliveries
- Unscheduled same-day and next-day runs alongside scheduled routes

WHAT SETS US APART

- GPS-stamped pickup, delivery and signature on every scan, checked against the stop location
- Agency portal: designees track any parcel and see live route progress on service days
- Live dispatch board: delivery windows monitored, locations called before a stop runs late
- Monthly service report with every invoice: stops, on-time rate, signatures and exceptions
- Sealed items never opened; owner trained in HIPAA and OSHA Bloodborne Pathogens; BAA on request
- Founder-led: the owner is the client's single point of contact

FOR PRIME CONTRACTORS

A certified New Jersey small, minority-owned business ready to perform the courier or delivery scope of public contracts as your subcontractor, with the tracking and reporting your agency client expects.
